Premium Video Language Courses - Intensive learning with a maximum of 6 participants

New courses start every Monday

Visit our **Premium Video Language Courses**
for more success in professional and private life

You learn quickly

1 complete language level in just 5 weeks with 16 lessons per week!

Our effective learning concept from practice for practice

Placement included

The lessons take place in small groups and we offer

additional active break time

for virtual practice without a teacher

with fun and new friends

Our highly qualified teaching staff will help you master the foreign language:

You will practice oral expression, listening comprehension, reading and writing.

Group courses: maximum 6 participants.

The minimum number of participants is 4 per

Premium Video Language Course.

This is the ideal solution for those who want to learn a foreign language in individual courses, alone or together with others.
